We are here for you if you need our help

**Advocacy for Children's Hearings**

**People at the Children's Hearing really want to hear from you because what you think is important.**

**How can an advocacy worker help me?**

- We can go to the Hearing with you.
- We can help you tell people what you think and feel is best for you.
- We can help explain why you are going to a Hearing.
- We can answer any questions you have.
- We will only tell people at the Hearing what you want us to.
